

Bonaire

November 2 – 10, 2012

Join us for a fantastic package of six days of diving in paradise. The clear water and abundance of aquatic life have consistently made Bonaire the top rated Caribbean destination for divers of all experience levels. This all-inclusive package includes airfare from Newark, 7 nights accommodations, six days of diving, and all meals and drinks. The diving features an amazing array of life, and the dive sites are easily accessible from either shore or boat.

Accommodations - **plazaresortbonaire**

The Plaza Resort Bonaire is one of the premier resorts on the island. Each spacious suite has been recently renovated, and includes air conditioning, two queen sized beds, wifi, refrigerator, balcony, and cable television. All meals and drinks are included. The resort has one of the best beaches on the island, plus an outdoor pool, day spa, fitness room, and tennis courts. And diving right off the beach!

Dive Operator - *Toucan Diving*

Toucan Diving is the Plaza Resort's 5-star dive center. The package includes daily morning boat dives and unlimited shore diving, with free nitrox all week. On a given day we can take advantage of the boat dives or jump in our truck and do some shore diving on our own schedule. We have total flexibility in planning how we want to sample the island's 85+ dive sites.

Package price of \$2,195 pp/dbl occ. includes:

- 7 nights accommodations including resort taxes and fees
- 6 days of diving, with 11 boat dives and unlimited shore diving
- Round-trip airfare from Newark and airport transfers
- Rental truck including insurance and unlimited mileage
- Unlimited free Nitrox
- All meals, including alcoholic and non-alcoholic drinks

A \$200 deposit will reserve your spot.
